

Project India Medical Center

Making Christ's Name known in India

Our Need: Christian doctors, dentists, nurses, technicians, administrators to serve six days to six months to six years. Project India Medical Center is a Christ Centered missionary hospital in India. We have recently completed building a world class 60-bed Hospital. Our mission is to Make Christ's Name Known in India.

The need is great. We have everything but need volunteer doctors to help us out. Please call me if you have any questions. The hospital is situated in a rural village on the peaceful banks of river Godavari and the Bay of Bengal. Vacation while you serve the Lord in the beautiful place:

- Fully equipped with state-of- the-art technology.
- 24-hour electricity line granted by the government of India
- A high powered generator as additional backup in case the electricity fails due to cyclones etc.
- Two surgical theaters equipped with ophthalmology – equipped with latest technology.
- Two surgical theaters for OB/GYN and General Surgeries – two ultrasound machines
- Medical and X-ray Labs
- Optical Shop
- Pharmacy
- Fully equipped Dental unit
- Incinerator
- On Campus housing for visiting and resident doctors – International Standard
- Room and Board provided on campus
- Two Dedicated Medical Doctors on Staff
- Trained surgical and staff nurses and technical staff.
- K-10 school (English Medium) resides on same campus
- Beautiful Conference Center across the campus
- Ten minutes from the beaches
- Surrounded by coconut plantations, rice paddies, rivers and other tropical foliage

Our current situation is that we have no one to run our Ophthalmology unit and we need much help with Ob/Gyn and General Medicine and units as well as other specialties. We need volunteer doctors to perform surgeries, deliveries etc. Hope for People International is a 501c3 IRS approved non profit. Your help in sustaining our organization until we get up on our own feet will be most appreciated. **Below are some pictures of our Medical Center.**
