3rd Village Ministry

Please pray for the Village Children's Ministry, which provides food, clothing and shelter.

4th Training Ministry

Please pray for our nation-wide Pastors' Conferences in India to be held for two weeks next August.

5th Educational Ministry

Please pray for sponsors who can make a one year commitment to cover the monthly cost of 53 of the poorest Indian students.

6th Medical Ministry

Please pray that God brings more doctors to Project India Medical Center to help build up the team.

7th Hope for People International

Please pray for wisdom for leadership, and preparation for this summer's short-term mission teams.

8th Project India

Please pray for God's special work to remove from the land all false prophets and the unclean spirits that inspire them. Zachariah 13:2b

9th Church Ministry

Please pray for spiritual wisdom, maturity, and submission to the Lordship of Christ in the leadership of the Church.

10th Village Ministry

Please pray for the landless farm workers who know Jesus, but lack basic necessities.

11th Training Ministry

Please pray for the annual Telegu-speaking Pastors' Conference for village pastors to be held next August.

12th Educational Ministry

Randy Thompson, the International Superintendent, needs prayer for God's wisdom and discernment.

13th Medical Ministry

Please pray for God to bring a special Chaplain for the hospital Pastoral Ministry, someone who is theologically trained, and can speak Telegu and English.

14th Hope for People International

Please pray that God will bestow spiritual and financial wisdom and direction.

15th Project India

Please pray for protection, wisdom and unity among the Project India Board Members.

Please pray for Jackie and Martha who are working diligently on the frontlines where the battle is fiercest.

16th Church Ministry

Please pray for sustained health and God's purposes to be worked through the Chair of the Church Ministries, Dr. Solomon Raju.

17th Village Ministry

Please pray for the compassionate ministry to the village widows.

18th Training Ministry

Please pray for the August English speaking Urban Pastors' Conference on Systematic Theology. The pastors who attend have seminary training and pastor in city churches.

19th Educational Ministry

Praise God for the new Hope for People missionary couple, Andrew Book and Joy Daigle Book, who arrived at Project India in September. Pray that they learn Telegu readily, and adjust to the new culture quickly. Pray that God reveals how He wants them to bless the school and all ministries of Project India.

20th Medical Ministry

Please pray for the medical doctors and staff. May the light of Jesus shine out to all they serve. Pray for endurance, wisdom, unity, and smooth running of the hospital.

21st Hope for People International

Please pray that we make Godly decisions in the choices of personnel.

22nd Project India

Pray for unity among believers, and powerful anointing of God's Spirit for ministry.

23rd Church Ministry

Pray for maturity of believers and outreach ministries.

24th Village Ministry

There is no social security in India. Pray for the support Project India provides to the local destitute people.

25th Training Ministry

Pray for Dr. Moore (EVFree in L.A.) and Dr. Loucks (Emmanuel Burbank) and the August Pastors' Conferences. Pray for the ministry of Global Teaching Network.

26th Educational Ministry

Please pray for good organization, enrichment and blessings through our Sister School Programs.

27th Medical Ministry

Please pray for the village outreach medical camps, and a new ophthalmologist for the hospital.

28th Hope for People International

Please pray for spiritual protection for the Board Members and their families.

29th Project India

Please pray for the quick completion of important daily tasks, and the needed help and encouragement at just the right time.

30th Educational Ministry

Please pray for inspiration and practical help for Principal Roy and his team of teachers.

31st Medical Ministry

Please pray for God to send missionary doctors, dentists and other medical staff to visit, encourage and train our staff at the Medical Center.
